2014 Connecticut State Shoot Honoree

James M. Garofalo

Jim was born in Danbury Connecticut on February 18, 1949. As a young man he attended St. Peter's Grammar School and Immaculate High School. Following his graduation in 1966, Jim joined New York State Electric where he enjoyed a long and successful career of 38 years. He retired in 2004. Jim also served in the United States Coast Guard from 1968 to 1972. Jim and his wife Kathleen, whom he married in 1968, have three daughters.

Jim is an avid outdoorsman who enjoys hunting, fishing, golf and playing ball. He was introduced to Trap Shooting by his father Paul, who at the time was President of Pahquioque Rod and Gun Club. It wasn't until 1997 that Jim took up the game of Trap seriously, quickly becoming an avid and accomplished competitive shooter.

In 2002, following in his father's footsteps, he became President of Pahquioque, a post he held until 2012. During his tenure he hosted many successful registered ATA shoots. The Paul Garofalo Memorial Shoot, The M.D. Clark / Hat Shoot and The Dick Baldwin Memorial Shoot are three of the best attended shoots in the State.

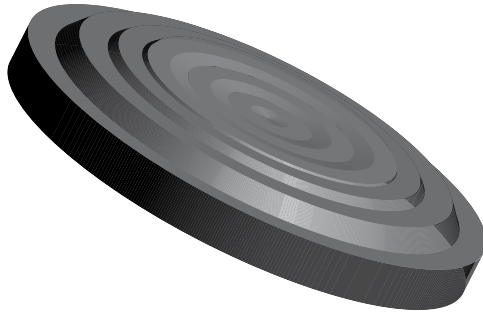

Jim took great pride in welcoming new shooters to the club and thanking others for their support. Always an ambassador for the game, Jim's success at Pahquioque contributed greatly to the success of the CTA today.

Connecticut State Shoot

TO ALL OUT-OF-STATE TRAP SHOOTING COMPETITORS: The purchase of ammunition in the state of Connecticut requires the purchaser to possess a current Connecticut Pistol Permit OR Connecticut Ammunition Purchase Certificate. If you do not have either a permit or certificate we strongly suggest that you bring ammunition with you for all events you plan to shoot.

Each Singles and Handicap event will be shot on a 5 bank system. Two traps per bank, 50 targets per field, 5 targets per post. (Modified 50). In order to avoid shooting 10 per post, please bring 50 shells to your starting post.

Doubles events will be shot on a 10 bank system with every trap being a starting trap. 25 pair in two sub-events on the same trap.

Squads will be limited on Friday to 36-36-20 for Singles, Handicap and Doubles, on Saturday to 55 and to 32-55 for Sunday Doubles and Handicap.

Hartford Gun Club has a good neighbor policy limiting shooting until dark.

Vendors are not permitted to sell ammunition unless specifically permitted to by a CTA officer.

A practice trap will be open at 9:00 am.

Breakfast and lunch will be available.

The CTA meeting will be held between events Sunday to elect our ATA Delegate, Alternate and CTA Delegates at large.

Cashiering notes: The squadding table will be open at 7:30 am daily. The cashier windows will be open 8:00 am daily. You must be classified prior to cashiering.

The pay-off window will be open at 11:30 am daily. Pay-off sheets for Saturday's and Sunday's events, along with uncollected winnings will be mailed to all shooters.

It is the shooter's responsibility to make sure their score is posted correctly. Once the options are figured, there will be no changes.

Trophies will be handed out after 5:00 pm daily or on completion of the event.

The CTA reserves the right to refuse any entry, change or cancel all or part of the program, or adjust traps as circumstances require.

Limited edition "2014 CT State Shoot" t-shirts will be available for sale.

Violation of any ATA rule, may result in disqualification for the event or subsequent events at the tournament directors discretion.

If you are bringing an ATV/Golf cart, you must provide the HGC with proof of insurance and they will issue a sticker.
